

We don't only show you the best practices, we also give you the worst ones.

We offer real practical cases that will help you back home.

Dr. Joachim Schiff

Major Cities of Europe

#mceleipzig

We offer a lot of unconventional sessions like the World Café, the “devil’s debate” and several panel discussions with room for questions and answers.

Dr. Joachim Schiff

Major Cities of Europe

#mceleipzig

We offer a great
networking platform,
so you always have
someone to take
advice from.

Dr. Joachim Schiff

Major Cities of Europe

#mceleipzig

We give
innovative local
SMEs a platform
to connect across
Europe.

Dr. Joachim Schiff

Major Cities of Europe

#mceleipzig

You have the
chance to interact
directly with
other European
municipalities.

Robin Heilig

City of Vienna

#mceleipzig

Be informed, be
challenged, be
involved - and
have fun!

Glyn Evans

Major Cities of Europe

#mceleipzig

Hear the
truth, not
the spin!

Glyn Evans

Major Cities of Europe

#mceleipzig

Come and challenge
conventional views
about how
technology can
reshape our future
cities.

Martin Ferguson

SOCITM

#mceleipzig

Better outcomes
will be data, not
service-driven.
Have we been
focusing in the
wrong place?

Martin Ferguson

SOCITM

#mceleipzig

The conference is
the perfect place to
meet your CIO
colleagues in a quiet
atmosphere to
exchange ideas.

Liora Shechter

City of Tel Aviv

#mceleipzig

The only family
like CIO
organization. **We
recommend
joining us.**

Liora Shechter

City of Tel Aviv

#mceleipzig

Inspiration and
great friends –
that's what you
will find in Major
Cities of Europe.

Liora Shechter

City of Tel Aviv

#mceleipzig

Be part of the
future, not
the past!

Glyn Evans

Major Cities of Europe

#mceleipzig

An
interdisciplinary
environment to
get answers to
your questions.

Elena Palmisano

PIN S.c.r.l. – Prato

#mceleipzig

A friendly and
informal
atmosphere.
Come and join
us!

Elena Palmisano

#mceleipzig

Smart is not enough.
At our conference we
discuss not only about
Smart Cities but also
about citizens and
quality of life.
